# Wet Mountain Valley Saddle Club

## Westcliffe Stampede Rodeo Since 1946

Founded in 1937, the Wet Mountain Valley Saddle Club has served as an integral part of the Wet Mountain Valley area, sponsoring the annual Westcliffe Stampede Rodeo. The club strives to better the community through educational endeavors and fun activities.

Providing horsemanship clinics, trail rides, gymkhanas and more are all building blocks of a community based educational entity. Furthering the development of our youth, the Saddle Club offers western style lifetime experience through hands-on youth rodeo and horsemanship opportunities. Scholarship opportunities for royalty and informational speakers enrich the community and promote our western lifestyle.

The Saddle Club and the Stampede Rodeo attract thousands of visitors each year. The people who attend our rodeo fill our motels, keep our restaurants busy, and bring shoppers to our merchants. Businesses not only benefit from sponsoring the rodeo events, they have an opportunity to promote the Wet Mountain Valley area and the western way of living.

In the past, we have been presented honors by the Colorado Pro Rodeo Association for the largest purse of all the Colorado rodeos. The cowboys and cowgirls who attended the CPRA annual meeting voted the Westcliffe Stampede the best rodeo in Colorado.

We are hoping you will continue to support the Wet Mountain Valley Saddle Club with your generous sponsorship. If you are a new sponsor, we really appreciate your consideration for support. Having a large purse is a HUGE draw to our valley. We would certainly love to be able to say that we presented the best rodeo in the State of Colorado yet another year. The 2018 levels of sponsorship are attached. Imagine your business promoted on our signage as a proud sponsor of Wet Mountain Valley Saddle Club and the Westcliffe Stampede Rodeo.

Please make check payable to  
WMVSC  
PO Box 501
